Chapter 229 / Love is a Maiden's Power

In any case, get out of here now.

I must admit that your magic is incredible.

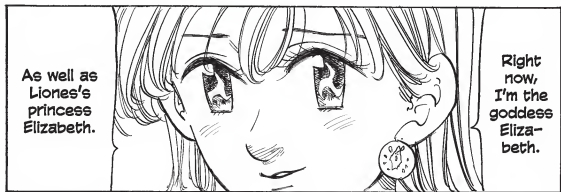

I can't believe... you'd do something so reckless!

But I was worried about you, Ban! About everyone!

You really...
were an honest-
to-
goodness goddess.

Which Elizabeth
are you
now?

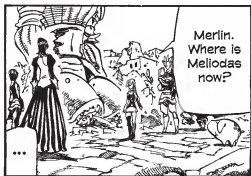

Right
now,
I'm the goddess
Elizabeth.

As well as
Liones's
princess
Elizabeth.

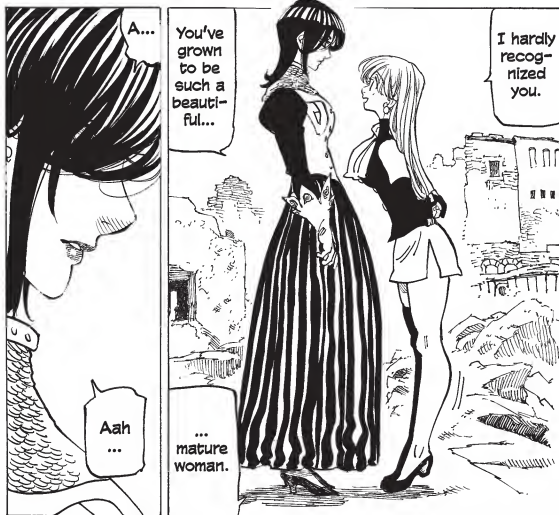

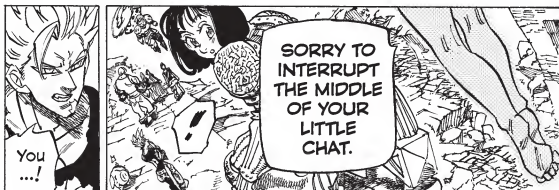

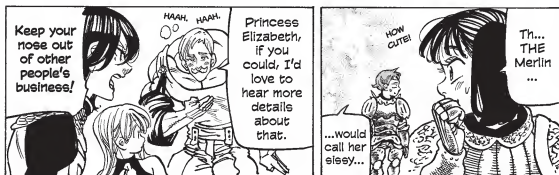

...
MERLIN
?

MERLIN?
THE
PRINCESS
IS ASKING
YOU A
QUESTION.

Merlin.
Where is
Meliodas
now?

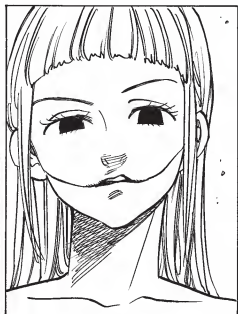

THE
TEN
COM-
MAND-
MENTS'
"FAITH"
MELAS-
CULA!

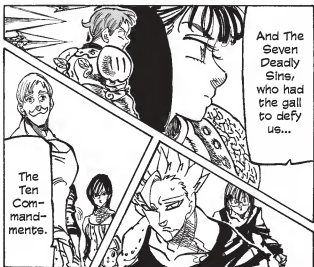

You stole
Meliodas's
heart and
manipulated
him into
joining the
enemy's side.

The hateful
goddess
Elizabeth who
delivered a
fatal blow to
the demons.

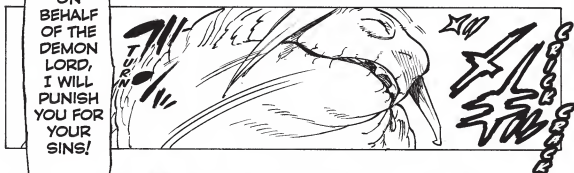

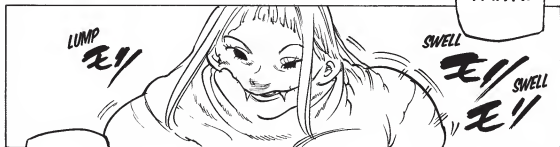

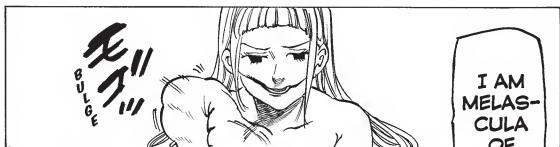

Oh... There's even the
little fairy girl who'd
been halfway dead when
I gave her a bit of life
back. Heh heh heh.

The
Ten
Com-
mand-
ments.

And The
Seven
Deadly
Sins,
who had
the gall
to defy
us...

HISSSSSS!

Thanks to you, I had six of my hearts crushed and the alignment of my jaw got all messed up. It's the worst of the worst!

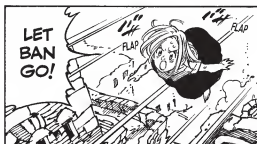

KUH!

I'll start with you first, Ban.

As payback, I'm going to keep you in my belly. You'll be dissolved by my stomach juices and regenerate over and over again for the rest of your life!

I'll make you regret your immortality!

LET BAN GO!

FLAP

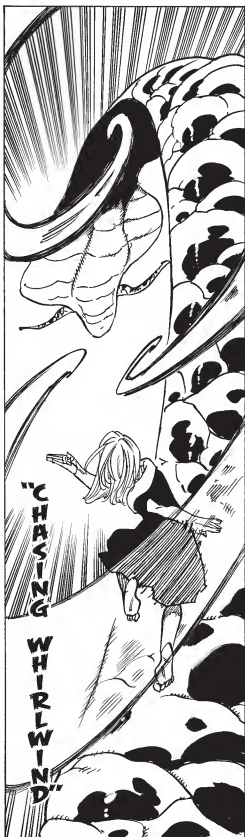

FLAP

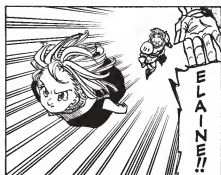

BAAN!

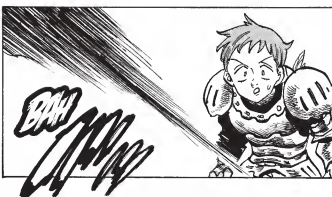

STAY BACK, ELAINE!

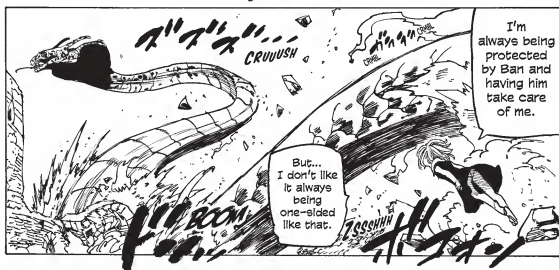

ELAINE!!

BAW

CRUUUSH

I'm always being protected by Ban and having him take care of me.

But... I don't like it always being one-sided like that.

ZASSHHH

GLOW

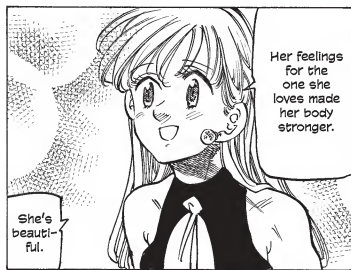

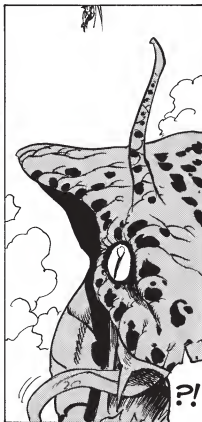

You can't steal your lover back away from me.

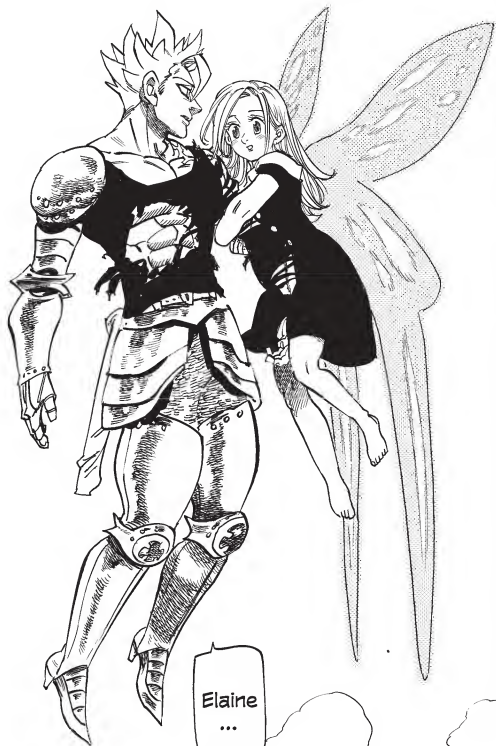

So stupid.

I...

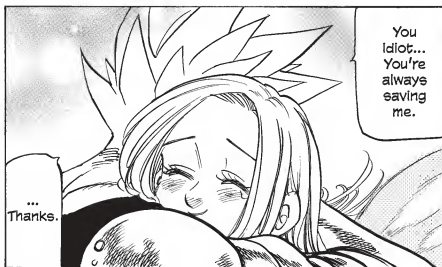

...want to protect you!

Elaine

...

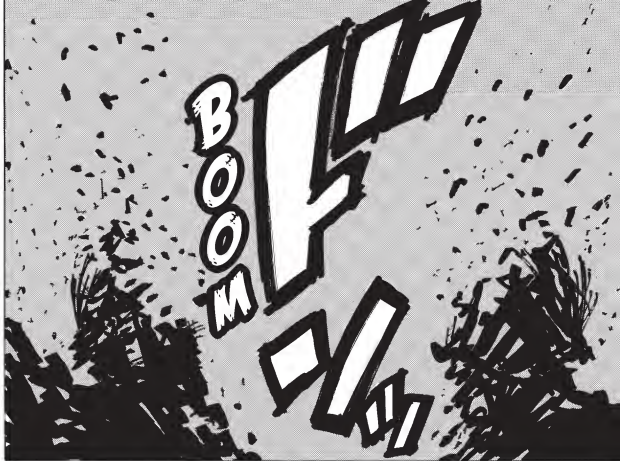

You
Idiot...
You're
always
saving
me.

How dare you
steal my lunch!
Cheeky little
girl...!!
Now I don't
care what order
it happens in...
I'm killing
you all!!

...can break
out of the
"Gloom
Cocoon"
without using
the Demon
Lord's magic.

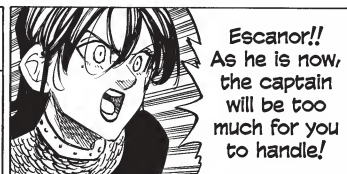

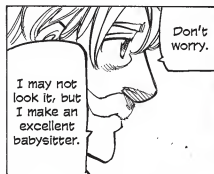

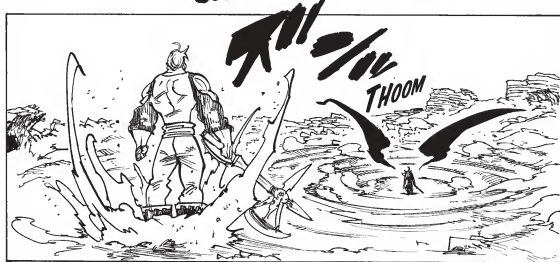

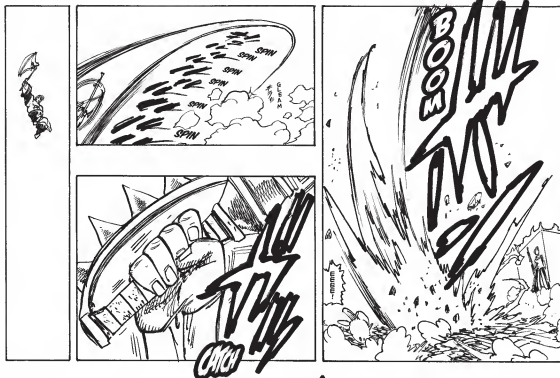

It...it
can't be!!
Not even
any of the
Ten Com-
mandments,
including
Zeldris...

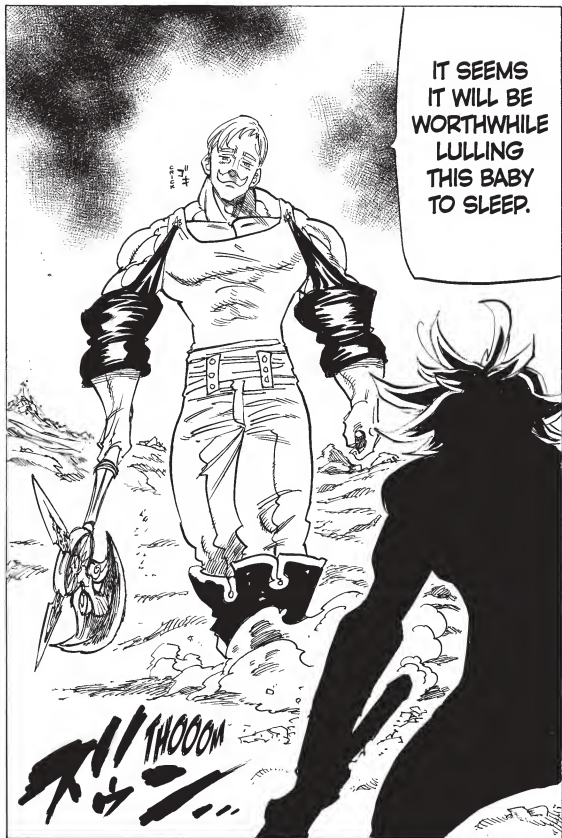

DIVINE
AX,
LITTA!!

AN-
SWER
MY
WILL!

IT SEEMS
IT WILL BE
WORTHWHILE
LULLING
THIS BABY
TO SLEEP.
